Sisters and Brothers in Christ,

Outside the church building, you may have noticed, we now have a refrigerator. **Each day, someone fills the fridge.** It has been filled by many of you, and members of the community not directly affiliated with our church.

Then also, **each day, others accept food from the fridge.**

Sometimes, the person filling the fridge intersects with the person accepting help from it. This is the truest moment of how wonderful this project is. **In the giving and receiving, Christ is embodied and made visible, by both.** When you give, you are embodying God's love for others, and what we do for others, we do for Christ. This is the meaning of the words of the season, "incarnation" and "epiphany."

One of those who accepted food left a note, which read, *"This is an amazing thing y'all are doing. It is one of the very few things that ties me to the hope I have that all humans will find their humanity."*

This note writer may not realize it, but this is at the heart of our faith. In that newborn baby we celebrate each year, we see the fullness of God in our humanity, and it reveals for us the fullness of what our humanity is meant to be. **The child is grace, the unmerited gift of God in our flesh, coming to serve and give his life for us.**

To be fully human does not mean we have to max out our human potential by achievements or victories, but to serve and give our life for others. Consider a poem from one of my favorite authors, Madeleine L'Engle, titled "Epiphany," which says:

<i>Unclench your fists</i>	<i>Let us hold each other.</i>
<i>Hold out your hands.</i>	<i>Thus is his Glory</i>
<i>Take mine.</i>	<i>Manifest</i>

By our works, we accomplish nothing - except revealing God's Glory, which is God's self-giving love. Being a Christian by the outward signs of baptism, membership, or even church attendance, is not the goal. We are all works in progress, but by our embrace of others, we show love - we make Glory become "Manifest."

Beloved, I am grateful for all of you who fill the fridge, and for Anna and Bill for making it happen. But ultimately, **you make God's glory manifest in many ways by revealing love in this community. I am thankful for you all in this church and look forward to working with and walking alongside you in this coming year to reveal our Lord Jesus by the actions of the Holy Spirit in and among us.** - Drew

From the Desk of Carol Ann

Every year from Christmas Day to New Year's Day, my Mom would put a puzzle together. For some reason it had to be done by the stroke of midnight. People would come over and sit for hours drinking coffee and putting the puzzle together. When finished, my Mom and Dad would glue the puzzle together and sometimes frame them or slide them under a bed. The puzzle changed each year. Our puzzle is always changing.

We add pieces -we lose pieces.

We try to make pieces fit where they don't belong. But when we find where we belong what a great fit it is! My prayer for the new year is that you will find your fit!

At Montreat this past year, we talked about your piece. Have you heard God calling you about your piece? What is God calling you to do?

The Body of Christ is a lot like a puzzle. When we put our pieces together, we are stronger- the picture becomes clearer and we see the beauty that God has in store for us!

THE RAINBOW CONNECTION PRESCHOOL

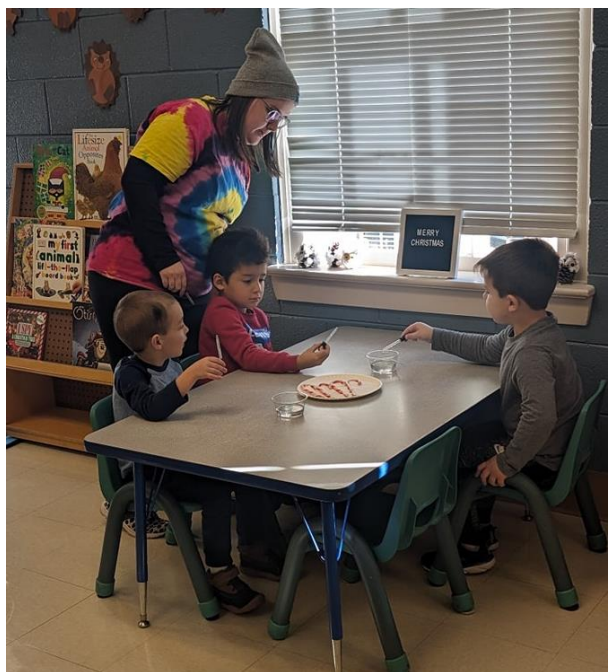

Happy New Year! December was exceptionally busy this year at Rainbow. There was Grinch Day, Polar Express Day, Hot Chocolate Day, and of course.. The Christmas programs! All our Rainbow children were so excited to perform Christmas songs for their families.

By January- Christmas is over, we've eaten all our candy, and we are realizing how cold Winter really can be. When the children are all cooped up inside because the weather is cold and dreary, we always try to bring the warmth and fun of warmer days inside. With songs, crafts, and of course- PLAY!

We are looking forward to a new year, thank you ALL for all that you do for Rainbow Connection!

"May he grant your heart's desires and make all your plans succeed."
(psalm 20:4)

as they go on mission with Dream Ministries to Barahona, Dominican Republic in January. They will serve on the Medical Mission team which averages seeing 125 patients a day and gives them bags of beans and rice. Please keep

them in prayer as they travel and serve along with the rest of the team. Contributions for unexpected circumstances such as medicines, transportation and incidentals are always appreciated. Donations can be sent to Shelby Presbyterian, earmarked for DR Mission trip. Thank you.

Announcing Success for Our Habitat Church Partnership Build!

As of this week Habitat has received approximately \$53,527 in contributions from congregations participating in our Church Partnership Build! This means that we will be able to claim the full \$50,000 matching grant from the Cornerstone Fund of Shelby Presbyterian Church. The cheese ball fund raiser netted over \$4,000 from all sales in all churches, and we are grateful to all who purchased cheese balls through our congregation. This is exciting news and a great accomplishment in support of the mission of our Cleveland County Habitat for Humanity. A big and sincere thank you to our congregation and all individuals who provided support in a myriad of ways, especially for your generosity in giving to help us meet this goal. Houses are progressing nicely and there will be more volunteer opportunities to help with construction after the first of the year.

TURNING POINT UPDATES AND OPPORTUNITES

We'd like to give a big thank you to everyone who helped provide for our Turning Point families this Christmas season. Through the Angel Tree, there were 17 families who were helped with Christmas gifts, and the generosity from our church members who selected and shopped for students was beautiful to see. Students received clothing, shoes, jackets, athletic equipment, art supplies, books, gift cards, and so many thoughtful gifts. Also provided to the school were dozens of fleece jackets, jogging pants, and belts, which will be used throughout the winter for students who may need them.

We continued to provide weekend food bags, packed each week by youth and led by Trey Warrick and Steve Sisk. The staff bathrooms at Turning Point received a make-over, thanks to Laura Lampley, with nice soaps and lotions, pretty flowers, and motivational posters. Now the teachers can enjoy a little pampering and inspiration for a minute or two during the day! The many talented bakers in our Shelby Presbyterian congregation provided Turning Point teachers and staff with a Christmas cookie day, which they thoroughly enjoyed - we may need to publish a new SPC cookbook!

Once again, we will have a Gift Card Offering on **Epiphany Sunday, January 7th**. These gift card will help Turning Point continue their gift cards drawing for students who have had good attendance and shown good behavior and good work. This is very motivating and rewarding for the students, and provides them with incentive to come to school and work hard. Last year the cards we collected were able to help the school for almost the entire year, where previously these had been purchased by teachers and staff. Please bring cards in the amount of \$10 to put in the offering plate on January 7th (or take cards to the church office any time). Some suggested ideas for cards are Sonic, Cook Out, Chic-fil-A, Dairy Queen, and Wal-Mart.

Once again, we are so grateful for how our Shelby Presbyterian family has embraced the Turning Point family, to partner with and encourage this important aspect of our school system and community.
