THE SHELBY PRES(S)

Published monthly by Shelby Presbyterian Church

Sisters and Brothers in Christ,

Wow. Just "Wow!" When I think about the shared experiences of nearly 80 adults and 30-plus children from our church at Montreat, I am simply amazed. **It is incredible to think that so many active members would commit to three days and two nights to build up our shared life in community, break bread, learn, pray, and have fun together.**

And to think that this was the renewal of a 40-year tradition is incredible. **Thank you.** Thank you for teaching me and broadening my own understanding of what church is and can be. **I saw new bonds being forged, old ones renewed, and the enthusiasm to not only become closer as neighbors and friends, but to see each other as family.**

I love that we continued traditions like the Softball game and water balloons, the Creek Stomp, the Barn Dance, art projects, late night conversations, and meaningful Sunday worship. **Steve & Cheryl Sisk and the Montreat Committee did a wonderful job preserving continuity and embracing the new – including a Friday night dance party.**

The theme this year was, "Family Reunion." **So, everything we did was built around our connection to each other as sisters and brothers in Christ and part of one family at SPC.** In our small groups, we discussed what makes us who we are, building a tree with bark and leaves, which were used to create a vase for use in Sunday Worship.

In the large group, we engaged in scripture together, looking at it through the lens of songs from Disney's Encanto, and then listened to early Christians express ancient thoughts that felt contemporary to our own. **In the end, we pondered our place as a family connected to each other and to the long tradition of the church.**

On Saturday and Sunday morning, I enjoyed spending time with 20 or so early risers, ready at 7 a.m. to have some coffee, pray together, share a moment of sacramental silence as the sun came up, and discuss Paul's letter to the Ephesians. **We engaged God's Word, opening ourselves up to each other and our God's presence.**

One story, I will always remember, affirms the unity that could be seen in us over the weekend, when during the "Hike with Mike" some fellow hikers saw our T-shirts asked, "Who in the family came from the farthest away?" To which **SPC sisters and brothers responded, "We're a church family. We all came from the same place – in and around Shelby."** We passed for a family, and throughout the weekend, fellow guests commented on our togetherness and how big our group was.

Think about what that says about us, and how this church is living into the biblical vision of the church as a family. Planning is already underway for next year, and we have asked for even more rooms so no one misses out again. But right now, whether you were there or not, **my hope is that we can all show this togetherness now that we are back in Shelby.**

Montreat 2022 - Family Reunion

Growing up, my parents would make me go to family reunions. I hated them. I didn't know people and would only see most of them once a year. They didn't even know my name. I remember saying, "this isn't my family." I have learned over the years that some people that I'm not even related to are family. Last month at Montreat, I realized how special my "new family" really is. Sitting around the tables, talking, telling stories and even shedding tears of joy and sadness is what brought us together. The theme song for the week-end written by Darrel Adams— **The Family of God**, I sang this same song at camp back in the 80's and loved it then and love it even more now that I have found a new family of God. Sing it with me!

How good to be, a family,

God has made a church of you and me.

We're not alone, we've found a home, the family of God.

We celebrate, we celebrate God is adding to his family,

Brothers, sisters—The family of God.

Thank you for loving me and my family and welcoming us into your family. I am thankful for Shelby Presbyterian!

STEWARDSHIP SEASON
CONSECRATION SUNDAY, OCTOBER 9, 2022

Dear Members and Friends,

Thank you! As the Stewardship Task Force of Shelby Presbyterian Church, we are just so grateful for your generosity and commitment to your church!

This year, we are sending this on the heels of a truly invigorating retreat at Montreat.

While we know that not all could make it, we wanted to touch on the Family Reunion theme of the event – **We are a family here at Shelby Presbyterian Church, called by God, each according to our gifts, and even in our brokenness, we are more beautiful and do more together than on our own.**

This year, we have seen continued renewal and growth in the life of our church, and we could not be more excited for the future. This is not a blind optimism, but a recognition that **the hope we share in Christ says that even in the darkest times – like the pandemic of the past few years – our God is always doing something new.**

Good stewardship means investing that something new. To that end, **your gifts have been used to bear fruit in the programs of this church and its ministries reaching out beyond our walls.** We continue to bring you opportunities to worship meaningfully, not only in our services on Sunday morning, but in the common life we share with one another through events, programs, outreach, and empowerment. **Your church is alive, active, and serving God in many ways because you, the people who are the church, give both here and throughout the community. Thank you.**

Your gifts provide our staff with all they need to serve with energy, intelligence, imagination, and love, living out their calling. Your gifts offer young people the chance to engage their faith in the woods, at camp, on trips for fun, and on trips centered around service. Your gifts empower the Food Ministry and other efforts to uplift our neighbors in need. Your gifts supply the tools and infrastructure to teach and preach, share God's grace, and live into our shared calling. **In short, your gifts reveal God's reign.**

Indeed, your support in prayer, in volunteering, and in financial giving are essential to fulfilling the great commands of loving God and loving neighbor. To that end, in this season we are asking you again to consider your commitment to the church. **We are asking you to pledge your prayers, your service as you are able, and your prayerfully considered financial contribution for 2023.**

We are all working towards the same goal of having a strong church that ministers to the needs of

each of us as well as to the community through the love and guidance of God. This can only be achieved by everyone prayerfully considering the stewardship of their time, talents, and financial resources. **Your pledge is a helpful way that we can prayerfully seek God's will, assess what people can give as volunteers to the church, and assess the financial resources we will have to engage in ministry.**

Ministry is not something that can be done by a few individuals. Rather, it must be a collaborative effort of us all pitching in toward a common purpose. **We are blessed with a unique gift in this vibrant church and it is now up to us to continue and sustain its long history of life-giving ministry. Every gift continues that legacy.**

As we have discussed over the years, it is important to look beyond immediate needs to understand that Shelby Presbyterian Church is not our building or our staff, but our church family. **Good stewardship means using our resources to love and serve others and invite them to know Christ's love and experience Christian fellowship and worship, as our church family grows.** This will allow us to do even more of what God has called us to do as a church and reach even more people. So please share your excitement about all we have at Shelby Presbyterian Church with others, so we can not only grow in faith but grow in the number of faithful disciples in our church family.

A 2023 pledge card for the church budget is enclosed. Please return it on, or before, Consecration Sunday, October 9th, after which, at 4 p.m., we will gather for a picnic at the home of Larry and Kathy Wilson. We ask that you please prayerfully consider your commitment to the church and bring your cards to either the Sunday morning worship on the 9th or mail them to Miranda in the church office. *As always, every individual's pledge information is kept in strict confidence.*

Once again, we have also included a prayer pledge card. Keep this card by your bed or on your refrigerator as a reminder to pray for your church.

Thank you in advance for your prayerful consideration towards the goal of keeping Shelby Presbyterian Church strong and growing our ministry in order to carry out God's will. **As we said last year, and certainly saw the fruit of this year – With your help, the opportunities for ministry and spiritual growth are boundless.**

Yours in Christ,

Shelby Presbyterian Church Stewardship Task Force

THANK YOU

"To the Montreat Committee goes a great big "THANK YOU".

So many wonderful comments have been made and the retreat could not have happened without your help.

Thanks to Fred Blackley, Spencer Borders, Robin Holland, Emily Melton, Emily Monroe, Jennifer Ormand, Michael Pruitt, Tara Warrick for all your time and talents that you gave to the team and your SPC family.

To Drew and Carol Ann, thanks for guiding us through a very special and meaningful message that taught us about the importance of uniting to be a true church family.

Also, thanks to everyone who attended and participated in the retreat. As the SPC family descended down the mountain and back to Shelby Presbyterian may the smiles, love, laughter and unitedness remain forever in our hearts."

Cheryl & Steve Sisk, Montreat Co-Chairs

"Thank you to the "Rally Day" pancake breakfast team for providing a tasty breakfast meal.

Not only did we flip pancakes and sausage we also flipped the breakers in Ellis Hall, but as in life we overcame an obstacle and provided breakfast for everyone.

So, thanks again to Ben Brooks, Kimberly Dixon, Richard Hart, Michael Pruitt, and Margie Trivett for sharing your breakfast talents."

Cheryl & Steve Sisk

"Thank you to the Northern Lights neighborhood group for the September meal. The lasagna was wonderful!"

SPC Reports & Minutes

News from Rainbow Connection

October is always such a fun month for all of our children at Rainbow. They are all excited about fall, Halloween treats, and the cooler weather! We will be exploring the changing season, creating fall art, and learning with our friends!

I recently had a conversation with my 9 year old about how his first week of school went. He responded "well it was okay but I really liked Rainbow the most because I just played all day." I sat there for a minute and laughed to myself. It was especially funny because he didn't realize- He WAS learning.

Everyday all of the Rainbow children learn and socialize in ways that encourage them to grow and think. Sometimes we don't realize the impact we and others can have on our preschool age children. So, it may look like we are just playing all day, but we are actually teaching, learning and growing!

October 12th we are having our Hot Dog Fundraiser and Open House at 6:00pm. Rainbow families will eat and see their child's classroom.

We would like to extend this invitation to any church members that would like to join us!

*Be joyful in hope, patient in affliction,
faithful in prayer.
(Romans 12:12)*
